Does any member of our household have a **temperature at or above 37.8, new continuous cough or lost taste or sense of smell**?

Yes

All members of the household stay at home

Member of household showing symptoms must get COVID test COVID NHS NUMBER 119 and others get tested if they show symptoms – **YOU MUST INFORM SCHOOL OF THE RESULT**

Negative

Positive

Child stays at home for a full 14 days starting the day after symptoms were first identified.

If a child shows any of the above COVID-19 symptoms they cannot return to school without receiving a NEGATIVE TEST

If you are contacted by NHS Test and Trace (and your child was with you during the contact with the COVID – 19 person) you and your child must self-isolate for 14 days, even if either of you receive a negative test.
