

Newsletter Autumn 1 2017

Hello everyone,

I hope you had an enjoyable summer and I would like to wish you all a warm welcome back.

Main notices:

Website

We are still experiencing difficulties with our website provider and I have arranged a meeting with staff at the company to try to rectify the situation. In the meantime, we will make sure we send letters with key information and dates

Building works

Phase two of the building works is almost complete. External doors have been fitted to classrooms 3, 4 and 5 with a ramp leading up to them. We are just waiting for rails to be fitted before they are safe to use. I will send you a letter when they are complete and then those classes will enter and exit the building from their own doors with parents collecting at the bottom of the ramp

Earrings

Some children have had their ears pierced over the summer holiday so I thought it would be useful to remind you of the policy regarding wearing them for PE. Earrings must either be taken out on PE days or taped over (at home). This is a health and safety measure so it is really important to follow this guidance. Thank you for your support

Welcome meetings

Each class teacher will be holding a welcome meeting during the next two weeks. Please attend if you are able as you will receive information about learning over the year and other key aspects of the year group.

Diary dates

Diary dates were sent out last week. If you did not receive them please ask at the office for a copy. Dates for this term are as follows:

1/9	INSET – Shared Reading
