

TRANSFORM CHILDREN'S NEWS

'Together We Achieve'

DATE February 2018

Year Five girls go for it!

In January some of our year five girls took part in a special event with other schools at Harvey Haddon Sports centre. They competed in many sports and had great fun too.

Edale Rise Primary and Nursery School

Butterflies are everywhere!

As part of their topic work our KS1 children went to visit the butterfly park. There were lots of other animals to learn about too.

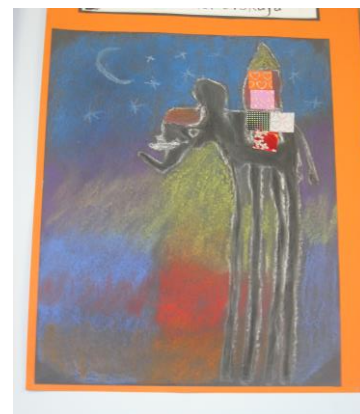

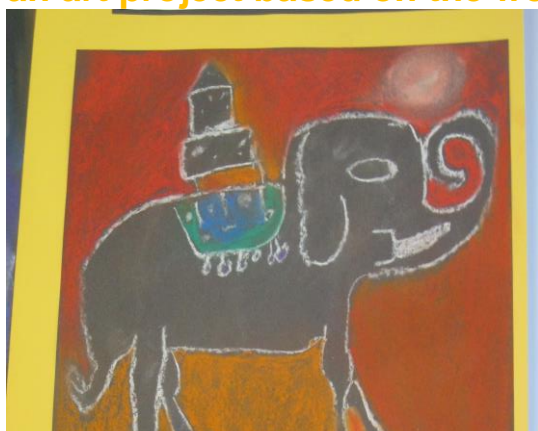

Children's parliament

As part of the Transform parliament group, two of our year six children were able to ask questions to local MP Mr Norris. They asked him if he had met Tereza May. The next meeting will focus on setting an art event for all Transform schools.

Still to come this term... Sport relief and World Book day.

Year Six art work. Our Year six pupils have completed an art project based on the work of Salvador Dali.
