Christmas party- Thursday 20th December pm

Uniform ☹

Due to unforeseen circumstances which are not in our control we are having problems with getting the new logo on our uniform. We are now contacting a different company for support. Please do not worry and remember you do not have to order a new uniform until your child's old one is too small. All children will receive a special badge with the new logo on to put on their sweatshirts

Staffing

Mrs Khan has had a baby boy and named him Abbas – congratulations to her and her husband
Welcome back to Mrs Reynold who returns from maternity leave
Welcome to our new team members- Mrs Ellis, Mr Scutts and Miss Gallagher
Mr Rennie has been in touch to say he is feeling much better and has a new job as a graphic designer!

Notices –

- The building works have now been completed and children in years one and two will enter school from the hall doors. This development means that we can monitor who is in the building at all times and keep your children safe. I will miss all parents coming in to school but this was a necessary action to safeguard children. Myself or my deputy will stand at the gate in the mornings and at night. Carol said to still come and see her as she misses you going through the reception entrance!
- Please ensure your children are supervised by an adult before 8.40am as some children are playing on the playground unsupervised and this could lead to an accident.
- Check out our new website! It is now live. Also remember to download our app (see Zoe in the office for more information).
- There will be a phonics workshop for year one and two parents on October 3rd at 2.45am
- Over the holidays a new playground has been installed for our younger children
- Children are learning about our new 'Take Care' rules- Take care of ourselves, take care of each other, take care of our work and take care of our school and the world. Our Friday assemblies will now be called 'Take Care' assemblies.
- On the reverse of this newsletter you will be able to read about planned developments for this year

Remember to read with your child regularly and enjoy a good book whenever you can!
