SCHOOL CLOSED FROM MONDAY 23RD MARCH

Coronavirus update

Good morning

It saddens me to let you know that school will be closed until further notice from Monday 23rd March 2020 in line with a government directive announced yesterday

If your child is entitled to Free School meals it has been announced by the government that there are possible plans to provide families with vouchers. As a school, we are not yet sure as to whether we provide the vouchers or the government but we will look in to this matter.

Each child has been sent home with a pack of learning activities that will support their time at home.

Please continue to follow guidance from the government and medical teams regarding Coronavirus.

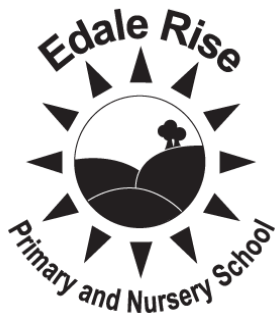

Some children will be able to continue coming to school through this period. These include children with an EHCP, children with a social worker and children with parents and carers who are keyworkers. If you think you might be classed as a keyworker please see guidance from the government and contact the school office to organise provision.

The government will tell us when we can reopen school. Please follow news reports and updates on social media. We will contact you once we know when we can reopen.

Thinking of you all

Mrs O'Connor ☺
Headteacher
