School work

Every child has been provided with a learning pack which is tailored to their needs. Please complete some work daily to ensure your child consolidates their previous learning in school. Thank you to Mr Crosby and Mrs Reynolds for providing these packs

Return to school

Parents will be sent a school comms once we can reopen the school. It will also be placed on the school app and website. Don't worry if you miss these as our office staff will call you if your child does not arrive on the first day back.

Please keep safe and follow all government advice and we will miss you all dearly.
