

Reception Newsletter September 2020

Our Learning

We are learning about feelings and emotions and how to be fantastic 'take care' people. We are learning how different things can affect our feelings and what to do to help ourselves and others.

We are continuing our phonics learning and are starting the Year one Maths curriculum work.

Please Remember

We are doing lots of outdoor learning and sometimes the weather is wet.

Children need a coat at school everyday and suitable footwear – wellies for the hillside should be at school please.

Please Remember

Children need to bring their reading books in their book bags **EVERY MONDAY**. This will be the day we change books to allow old ones to be put to one side and not given to another family for 72 hours following Covid-19 guidance.

Helping at home

Please read with your child at least 3 times a week. They have missed lots of school time and this will help their phonics, tricky word recognition and understanding of stories. If your child is finding writing their name difficult you can practice this too.

Please Remember

Children need to bring their own **NAMED** water bottle to school each day.

If you have any questions or concerns, please remember we are available to have a chat about them with you and we will find a suitable space to do so that allows us to social distance.

Thank you, Miss Bradley and the F2 team.
