10th September 2020

Dear Parents/Carers,

Relationship Education

This is an update to inform you that Relationship Education will be statutory from September 2021. Our PSHE programme (SCARF- Safety, Caring, Achievement, Resilience and Friendship) has devised an updated unit of how Relationship Education will be delivered from Years 1 to 6.

We will be sending curriculum documents in Spring term which will show the programme of study and how we aim to deliver it.

The SCARF scheme of work allows us to adapt content according to children's maturity and the subject content is age appropriate. This will be taught into 6 units which are:

- Me and my relationships
- Valuing differences
- Keeping myself safe
- Rights and responsibilities
- Being my best
- Growing and changing

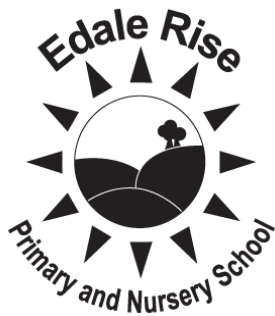

We are currently finalising which terminology will be used in each year group so there will not be many changes as to what is being taught currently.

If you have any questions and or would like to know any further information please do not hesitate to contact me.

Thank you,

Mrs K Khan
PSHE Lead
