

# Autumn Newsletter

Hello all

## **Covid update**

A huge thank you to you all for being so flexible this half term and working with us to ensure all children could return to school. It has been fantastic hearing children laughing and enjoying school once more.

Thank you to all parents of children in the class who had to isolate. They carried on learning through Showbie because of your help. Also thanks to Mrs Grimshaw and Mrs Freeman for providing lessons online- a new venture for us!

Over half term could you please contact school at [admin@edale-rise.nottingham.sch.uk](mailto:admin@edale-rise.nottingham.sch.uk) if there are any positive covid cases in your household and especially if you child tests positive/has symptoms. This is because we would then need to contact other parents in your child's class and staff members to inform them to isolate. Thank you.

School begins again on **Monday 2<sup>nd</sup> November**

Please do not bring your children to school if there are any covid symptoms in your household/positive results.

Contact the office on the first day to let them know your situation.

## **Other News**

We had a wonderful celebration of Harvest and children created art work to share with other classes using Showbie. Thank you to all parents who donated food at local supermarkets and food banks.

Edale's Got Talent - the finals have taken place, well done to all of our winning entries and to everyone who showed their amazing talents!

Parents' evenings and questionnaires – Thank you to you all for Filling in the questionnaires. I will have a look at them in November and send out a summary. Parents' evenings were well attended and the phoning system worked well.

## RHE curriculum

Mrs Khan sent a letter out to explain the next steps in our relationships and health curriculum. At the moment there are no changes in lessons except for the decision that was put in to place last year - **not** complete lessons with year six on human reproduction.

Mrs Khan and I are currently working together to create a curriculum which reflects our children's needs and considers our community views. In the spring term Mrs Khan will contact parents to consult on the curriculum.

No changes will be made until summer 2021 at the earliest and you will be made fully aware of any changes.

## Dates for the diary

At the moment we are not setting many dates for events due to covid restrictions. Wherever possible, we are trying to continue with key events, such as Edale's got Talent, using technology.

We have booked some events for the summer term in the hope we will be able to go ahead with them.

Please access Showbie, Twitter, our app and website for photographs and information. Our website is currently being updated and will have information on home learning.

Monday 2<sup>nd</sup> November – return to school  
Friday 18<sup>th</sup> December - last day of school  
Monday 4<sup>th</sup> January - first day back  
Monday 25<sup>th</sup> January – inset school closed
