

Year 4 Newsletter

Autumn 2 2020

Welcome to Year 4.
If you have any
questions just come
and have a chat!

This term's topic is.....

Rivers

This is a Geography topic. We will be learning about the water cycle and how rivers are formed. We will also learn about the different stages of a river and some famous rivers of the World, in particular, the River Amazon.

In Maths we will be reviewing and extending place value and times tables and moving on to column addition and subtraction, length and perimeter. In English we will be learning about the Author Lynne Cherry and her books about the Amazon Rainforest and Rivers and writing persuasive letters, recounts and poems.

Homework

Every night-

- Read
- Times Tables practise
- Spellings practise

- make a model or collage of the Water Cycle
- research famous rivers of the world.
- practise telling the time and calculating what time it will be in 20mins, half an hour etc.
- practise working out how much change you should get when you go shopping.

Trips and Visits

Due to COVID we cannot go on any trips so we are not collecting trip money at the present.

PE

**PE is on Wednesday and Friday afternoons.
Please bring
trainers/suitable shoes.**
