Hello everyone.

Well, that wasn't the return to school we were all expecting was it? I am so sad that once again Nursery is closed but it is of course really important that we all keep safe.

As you know, while we are closed, the Government expects children to continue learning at home. Whilst the children spend a lot of time playing in nursery we also provide daily lessons for them when we all sit on the carpet and learn something new or practise something we have done before. These are practical sessions with the children joining in. I will be preparing lessons at home for the children to watch and join in with every day on Showbie. I realise many of you have older children and limited devices so I am just asking you to try your best to try to watch and join in with an activity every day. I will be doing my best to make sure the children are keeping up with their learning so they are ready for full time school in September. Mrs Parveen and I will be looking at showbie every day to see who is joining in so please respond to these activities, you can add a photo, a video, a voice note.
