Thursday 7th January 2021

Dear Parents/Carers,

Welcome to the first half of the Spring Term. Our topic this half term will be 'Hot and Cold Places'. We will study the climate in hot and cold places, what animals and humans live there and how they adapt to living in these places. As you now know all our learning will be via Showbie until further notice.

Maths

In Maths we will learn how to multiply and divide by 2, 5 and 10.

English

In English we will be reading a range of non-fiction books related to our topic. We will also read 'Lost and Found' by Oliver Jeffers and 'Flat Stanley' by Jeff Brown. We will write non-fiction reports about our reading and compose our own version of the 'Lost and Found' story.

Science/Topic

In Science we will be continuing our work on the uses of everyday materials. PTO

Mrs. Freeman will be completing some Music or Art related to our topic on Wednesdays. Children will also have daily phonics and reading lessons and a weekly PSHE/Wellbeing lesson.

PE will still be on a Thursday and Friday. Please ensure your child has a suitable change of footwear and plenty of space for this online lesson.

Children will still be expected to learn their weekly spellings. There will be a test on Friday as normal (on Showbie!).

Please continue to read with your children where possible, practise times tables on TT Rocks and fluency using Numbots.

Each child will get a weekly phone call from a member of year 2 staff while we are learning at home. If you have any questions or need any help with the online learning then please don't hesitate to ask us.

Regards,

The year 2 team ☺

Miss Grimshaw- class teacher

Mrs. Freeman- teaching assistant
