Monday 18th January 2021

Dear Parents/Carers,

We are having to adapt to a new way of learning. For a while, your children will be learning remotely on Showbie.

This half term, our topic will be the 'Restless Earth'. We will be focussing on what the earth is made of, what causes volcanoes and earthquakes and different volcanoes around the world and how similar and different they are. We will also carry on reading Beetle Boy and then onto Nowhere Emporium, where a boy stumbles upon a shop which has a labyrinth of rooms and passageways.

Maths

In maths, we will be focussing on dividing by 10, 100 and 1,000. We will also be looking at formal written methods of multiplication and division.

English

In terms of writing, we will write about the Restless Earth. The children will be writing about the structure of the Earth and the causes and consequences of volcanoes and earthquakes.

Foundation Subjects

We have lots of exciting art projects to look forward to themed around our topic as well. We will also be doing PE, science (Properties and Changes), PSHE (Well-Being), RE (Buddhism) and music.

There will be spelling lessons twice a week with a spelling test on the Friday. These can be practised at home along with times tables.

Just a few things to remember this half term:

- All lessons will be shared on Showbie. Children submit their work by uploading it to Showbie.
- The work put on Showbie is the work children would have been doing at school.
- We will monitor Showbie closely to ensure the children are doing the work set.
- Carry on learning your times tables (TT Rock Stars).
- Encourage your child to read at home, with an adult, if possible.
- Practise your spellings, which are given on a Monday on Showbie. The test will be on Friday.

We really look forward to a great first half term.

Kind regards,

The year 5 team,

Miss Brailsford (Supply Teacher)

Mrs Todd (Teaching Assistant)
