Lockdown Update 11.2.21

Dear Parents/Carers,

First of all a huge thank you for supporting your child with their home learning this half term. We appreciate it is been a very difficult time for families and we understand the strain home learning can place on the adults at home.

Children engaging with their home learning is incredibly important so we really appreciate your support with this. If your child is struggling to access the home learning, please let your child's class teacher know and we will do all we can to help.

Edale's COVID Library and Workbooks

I am thrilled to announce that our COVID safe library will open on Monday 22nd February. The library will be open from **13:30 – 14:30 pm**. The library will run on a rota system to avoid too many people attending at once.

Monday	Tuesday	Wednesday	Thursday	Friday
Reception Year 6	Year 1 Year 5	Year 2	Year 3	Year 4

The library will be based outside the Year 4 classroom. A member of staff will be present to help organise choosing books and there will be markers placed to show you where to line up. Only one adult from each household should accompany the children. All adults should wear masks unless exempt.

Workbooks, Textbooks and Class Reading Books

We have also bought every child some work books to help them with their remote learning. Every child in Year 2 – 6 has also been bought a copy of their topic textbook and their class reading book. These books can all be collected from the library on your child's allocated day.

Thank you again for supporting school throughout this difficult time. We wish you a happy half term!

Mr Crosby
Headteacher

Miss Bradley
Assistant Headteacher
