

**Year 3 Remote Learning: 22.2.2021**

Dear parents and carers of Year 3 children,

Unfortunately, Miss Welton is still unwell and will therefore not be able to provide remote learning for Year 3 this week. However, please see your child’s learning schedule for this week below. All of this learning can be accessed through the Oak Academy website. A member of staff will be posting the work each day for your children and checking work submitted by your children.

Children will complete a reading, writing, maths and science lesson each day. Children can take photos of their work each day and post it on Showbie. Don’t forget ‘PE with Joe’ on YouTube every school day. This is a great P.E lesson!
