Dear parents/carers,

We understand that some parents may wish for their child to fast during Ramadan. Please contact the school directly if you wish for your child to fast during Ramadan.

For your information the guidance we have received as a school is that no child under 'the age of puberty' is obliged or expected to fast. Younger children struggle with fasting and the demands of the school day. If your child is fasting, please provide them with a snack and drink to have should they need to break their fast due to exhaustion or dehydration.

If you have any concerns or questions with any of the above, please do not hesitate to contact school.

Thank you

Ramadan Mubarak
