

## Edale Rise Primary

2017-2018

### Review of the year

Thank you to everyone on Team Edale – children, parents, staff, Transform staff and governors – for a very successful and fun filled year! Here are some of the highlights:

Best KS2 results ever! Well done to our Year six children. Our results are well above National Standards.

Best EYFS results ever! Results have risen over the last six years

Year 1 phonics 87% passed!

KS1 results were above expected standards and better than last year. These children are a whizz at maths!

Consistent results throughout school.

Fantastic opportunities for children and parents including: Forest schools, Edale's Got Talent, Walesby, Empty classrooms, after school clubs, strings provision, library visits, trips, workshops, summer and winter fairs, celebrations of festivals, sports day, Children's Parliament and many more!

Improvements to the building –

- Major art display in hall
- Signage changed to include new logo
- Completion of external area for Year 1 and 2 entry to school
- EYFS – new outdoor area

Thank you to Amy ( parent governor), Graham (sign maker), John and Carol!

100% of teaching is good or outstanding. Well done to all of our teachers and teaching assistants

Developments in the curriculum such as –

- A creative curriculum based on topics to excite the children
- Increased sporting opportunities such as events led by the Local authority and Transform
- A French curriculum which has helped the children to enjoy a new language
- Outstanding provision for our New to English and SEN children
- Design and Technology projects and workshops
- Staff training on reading, maths and SEN
- Healthy schools award

Edale is being noticed! This year we have had staff from other schools coming round to look at our excellent provision. Our external reviewers have highlighted the progress made this year and the excellent leadership, teaching and learning, behaviour expectations and safeguarding procedures. We have taken on innovative teaching approaches on shared reading and are working with Transform on a new style of governance.

Team Edale!

This year children, staff and governors have been working on school identity and how we can celebrate our Team ethos. Many ideas have been generated and this has formed a plan for 2018-2019. We are an amazing school and we should all be proud to be here. I personally love the family feel to our school and how we work together to genuinely care for each child.
