

## Edale Rise Summer parent survey results – 2024

Thank you to parents who completed the summer parent survey. We had fewer responses than we would normally receive and so we are going to be trialling different methods of collecting parent views on school life.

### **What's going well?**

- My child is happy at Edale – 93.8% agree
- My child feels safe at school – 93.8% agree
- Behaviour at school is good – 87.5% agree
- Edale is good at communicating with parents – 93.8% agree
- I know how to use Weduc to keep up to date with school life and messages – 81.3% agree
- The school makes me aware of what my child is learning – 81.3% agree
- The school has high expectations and supports my child to be at their best – 93.8% agree
- Where parents have raised concerns, 100% of parents felt these were dealt with quickly and effectively.

### **What are our next steps?**

- School leaders will trial alternative methods of collecting parent voice
- School leaders will share the school enrichment calendar to ensure parents know what opportunities for personal development are available for children throughout their time at Edale
- School leaders will share our communication strategy with parents to ensure all parents are aware of the different methods that information is shared between school and home and vice versa
