Key priorities and Planning

Total amount allocated for 2025/26	£17,790
Total amount carried over from 2025/26	£0
Total amount allocated for 2026/27	£11, 860
Total amount available for 2026/27	£11, 860

The government's transition away from the Primary PE and Sport Premium means schools are expected to receive significantly less direct funding in 2026-27. Schools will receive a one-off transition grant while a new national PE and School Sport Partnerships Network is established. As a result, Edale has reviewed spending priorities to protect the most impactful and sustainable aspects of its PE and sport provision, using observations, data analysis and pupil voice.
The following priorities have been protected:

- Professional coaches deliver a range of after-school sports clubs 4 days a week. This is to ensure all children in Y1-Y6 have access to a sports club.
- Top-up swimming sessions. We will use a minimal contribution to pay towards top-up swimming lessons on top of school funded lessons. This is to ensure as many children as possible can swim 25m by the end of Y6
- Professional coaches deliver lunchtime sports provision every day. This is to ensure all children are engaging in highly active, structured sports activities every day in addition to PE lessons.
- Continued subscription to a professional PE scheme to support teachers in delivering high-quality PE lessons.
- Minor financial contributions to children attending sporting events (bus fare etc.)

Pupil Premium funding subsidises participation in after-school sport and competition opportunities for disadvantaged pupils where cost would otherwise be a barrier. This supports improved engagement, attendance, wellbeing and access to enrichment

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action	Summer 2027 Review
Employ professional sports leaders to provide and lead sporting activities for all children at lunchtime	All children	**Key indicator 1:** The engagement of all pupils in regular physical activity **Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils **Key indicator 5:** Increased participation in competitive sport	Lunchtime observations will show children across a range of demographics and age groups engaging in a range of physical activities across the school year. These activities will be purposeful and intentionally developing skills, knowledge and fitness. They will be purposefully led by a professional coach who can utilise every opportunity to develop children's skills, knowledge and physicality.	£4, 500	

Children to have additional activities during curriculum time and after school clubs (free of charge)	All children	**Key indicator 1:** The engagement of all pupils in regular physical activity **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils **Key indicator 5:** Increased participation in competitive	A broad range of sporting activities will be offered throughout the year. There will be a broad uptake from across a range of year groups and demographics which will be tracked by the Personal Development Lead.	£6600	

		sport			
'Top-up' Swimming Lessons provided to those children not yet swimming 25m after completing the core offer from school	Children who did not complete 25m on the core swimming offer from school	**Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils	Children will gain a proficiency and confidence in the water in order to ensure all children can swim 25m by the end of KS2.	£400	
Provide bike riding lessons for all children	All children	**Key indicator 1:** The engagement of all pupils in regular physical activity **Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils	All children have the opportunity to learn to ride a bike safely, a lifetime skill with myriad of health benefits	£100	
Children are given opportunities to participate in competitive sport to enable them to develop their sportsmanship and leadership skills	All children at Edale are provided the opportunity to compete with other schools across Nottingham City and Transform Trust	**Key indicator 1:** The engagement of all pupils in regular physical activity **Key indicator 2**: The profile of PESSPA being raised across the school as a tool for whole school improvement **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils	All children at Edale are provided the opportunity to compete with other schools across Nottingham City and Transform Trust	£110	

		Key indicator 5: Increased participation in competitive sport			
Use of a professional scheme to ensure high quality knowledge/skills progression in PE lesson	Continued subscription to Complete PE	**Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport	Complete PE to continue to be well embedded across school. PE lead to be aware of areas of strength and development and to provide coaching/mentoring	£150
